

ADITYA SAINI

Java Developer

Jaipur, Rajasthan | +91 6378160991 | aadityaa0006@gmail.com [[LinkedIn](#)] | [[GitHub](#)]

Career Objective

Enthusiastic Java Developer with a strong foundation in Core Java, JDBC, MySQL, and Data Structures (DSA). Currently pursuing BCA and focused on building scalable backend-focused applications using modern frameworks like Spring Boot and Hibernate. Skilled in problem-solving and database-driven development.

Technical Skills

- Languages: **Java** (Core Java), Advance Java , SQL, JavaScript(basics).
- Backend & Database: JDBC, Hibernate, MySQL, JSP, **Spring Boot** , Microservices Architecture (Learning).
- Frontend: HTML, CSS.
- Tools & Concepts: Git, Eclipse, IntelliJ, VS Code, OOPs, **Data Structures and Algorithms (DSA)**.
- Soft Skills: Problem Solving, Team Collaboration, **Fast Learner**.

PROJECTS

Smart Expense Tracker | *Java, JDBC, Hibernate, MySQL, HTML/CSS*

- Developed a full-stack application for budget tracking and category-wise analysis using Java and Hibernate.
- Implemented Hibernate ORM for efficient data management and performed CRUD operations.
- Designed a user-friendly dashboard with data analytics and charts for tracking financial habits.

ATM System | *Core Java*

- Implemented core functionalities including user authentication, cash withdrawal, deposits, and balance checks.
- Focused on implementing secure logic and state management using Core Java concepts.

Library Management System | *Java, JDBC*

- Built modules for automating book issue/return processes and fine calculations.
- Managed database records to ensure efficient tracking of library inventory.

Student Management System | *Java, MySQL*

- Designed a system to store, update, and manage student records efficiently using JDBC connectivity.
- Focused on database normalization and executing complex SQL queries for data retrieval.

EDUCATION

- **Bachelor of Computer Applications (BCA) | University of Rajasthan**
- **2022 – Present (Currently in 5th Semester)**

CERTIFICATIONS

- **Advanced Software Engineering Virtual Experience – JPMorgan Chase & Co (Sep 2025)**
- **Core Java Certification – Zeetron Networks**
- **Cyber Job Simulation – Deloitte Australia (Sep 2025)**
- **AI Foundations Associate – Oracle (Aug 2025)**

ADDITIONAL INFORMATION

- **Technical Interests: Computer Hardware Fundamentals, Cyber Security, and Backend Architecture.**
- **Professional Presence:** Actively sharing technical insights and Java projects on LinkedIn.
- **Languages:** English and Hind
